About Us

The Latino American Alliance of Northeast Pennsylvania is a Not-for-Profit Organization with 501 (c) 3 Status. We are the oldest Latino organization in Monroe County.

Our Mission

The mission of the Latino American Alliance of Northeast Pennsylvania (LAANEPA) is to enhance and promote the quality of life in the communities of Northeast Pennsylvania by empowering and supporting the involvement of the Latino community.

Vision

LAANEPA seeks to enhance the political, economic, socio-cultural diversity and richness of the region by encouraging Community involvement, Unity, Respect, and Education.

Community Services

Information & Referral

Explore individual needs & make appropriate referrals with follow-up to ensure continuum of care.

Employment & Education

Assess individual's interest and qualifications along with required documentation and make employment or educational referrals.

Systems Advocacy

Advocate for Latinos to enable access to services and in cases of discriminatory practices and injustice within social, education, legal, healthcare, insurance, political, business, religious, insurance, and housing systems.

Translation & Interpretations

Interpretation & translation for clients with documents from court, medial offices, or social service agencies.

Business Services

Latino Business Development

Connect Latino small businesses to capital, business management resources, and customers.

Translation of workplace documents & forms

Translate workplace forms, policy letters, and advertisements in English-Spanish.

Latino consumer demographics and trends

Prepare research reports and information on Latino demographics and trends.

Diversity Training Network

Conduct needs assessments and customized diversity training for workplace and marketing.
